

# COLORS FOR LIFE

EZ-COAT guarantees the quality of the product, however, manufacturer does not have any influence on the way, method and conditions of product's application. EZ-COAT is not responsible for correctness of color of applied finish/coating. In case of any doubts, individual application trials should be conducted by a selected applicator.

**ALL COLORS SHOW BELOW ARE INTENDED TO IMAGE APPROXIMATE COLOR OF THE FINISH/COATING.**

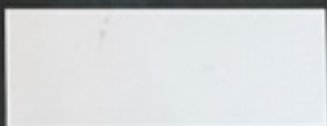

Color can vary depending on the type of selected product, the method of application, weather job conditions, lighting. For color verification, request real, dry, at least 2x2" sample of chosen type of finish in the color and texture before ordering material. Small sample looks one tone brighter than used on the wall due to optical illusion.
